2020 Aviation Commission Meetings

Airport Commission Meetings are canceled until further notice

Hello All-

With Spring in full swing, I would like to thank everyone who is doing their part in the Safer at Home initiative. In accordance with the Los Angeles County mandate, we ask that you please wear a mask when interacting with anyone on the airport. We do not have a set date as to when everything will return back to normal, but remember that our staff is ready to assist you 24/7. They are still available by phone and can be reached at (310) 292-7442. Due to social distancing, our staff is unable to provide rides to and from hangars or tie-downs.

Thank you again for your patience and understanding. We will update you as more information is available. Please remember to practice social distancing to prevent the spread of COVID-19. As long as we do our part, we will return back to normal sooner than later

As a friendly reminder, all Los Angeles County Title 19 regulations are still in effect during these difficult times. Please remember to only park your car in a designated parking spot and never park in a manner to block another hangar. Also remember to not store items outside your hangar either, as we need to continue to keep our taxiways and runways clear of debris at all times.

The airports are taking steps to ensure the safety of the employees and tenants. During the Safer at Home Order which is effective until May 15, 2020 (and subject to change). We are following the instructions of the Health Officer which now requires Essential Businesses to implement a **Social Distancing Protocol**. You will see Operations Staff wearing face coverings and keeping the appropriate distance while fulfilling their duties on the airport. The self-serve islands remain open for fueling and the trucks are available should you need them. The facilities (restrooms, etc.) are cleaned and sanitized on a regular basis.

We ask that while on the airport you adhere to the **Social Distancing Protocol** which includes: Maintaining at least six-feet of physical distance from individuals who are not part of the same household; Frequently washing hands with soap and water for at least 20 seconds or using hand sanitizer that contains at least 60% alcohol; Wearing a cloth face covering while out in public when in contact with others, not including members of a single household or living unit; and avoiding all social interaction outside the household when sick with fever or cough. Your adherence to the protocol is greatly appreciated.

Rental payments are still due on the 1st, and if you are used to dropping off your payment at the airport, we encourage you to mail in your payment using the envelope that is included with your statement or use auto pay and have it charged to your credit/debit card every month. You can also call the airport office and pay with a credit card over the phone. The \$10 convenience fee has been waived until further notice.
