Hello San Gabriel Valley Airport users, Thank **YOU** very much for staying at home!

### COVID – 19 –LA County Safer at Home Health Officer Order

What is the “Safer at Home” Order? The “Safer at Home” Order is a legal order issued by the Los Angeles County Health Officer to help slow the spread of Novel Coronavirus (COVID-19) and protect the most vulnerable members of our community. The Order requires all businesses in the Los Angeles County Health Jurisdiction to cease in-person operations and close to the public unless those businesses defined as an Essential Business by the Order. Essential Businesses are by 11:59 p.m. on April 15, 2020, required to post, provide employees with, and implement a Social (Physical) Distancing Protocol for each of its facilities that are frequented by the public or employees. The Order also continues to prohibit all indoor and outdoor public and private gatherings and events and extends the temporary closure of all public beaches, trails, and their points of access within the County of Los Angeles Public Health Jurisdiction. People can leave their homes to shop at Essential Businesses, so long as they practice social (physical) distancing and wear a cloth face covering while visiting Essential Businesses. People can also continue to engage in outdoor activities, such as jogging, walking, or biking.

**STAY HOME, STAY SAFE!**

### COVID-19 Testing Site

Los Angeles County is currently utilizing the San Gabriel Valley Airport front parking lot for drive-up appointment only testing center. The entire front parking lot is occupied. Using either the North or South gates for access to the airport is recommended. Thank you for understanding.

## Spotlight On

### COVID-19

As a provider of essential services, airports remain open during the COVID-19 Pandemic. The runway, taxiway and fueling services shall remain available for the foreseeable future. Airport administration offices are closed to the public but staff can be reached by phone or email.

The airports are taking steps to ensure the safety of the employees and tenants. During the Safer at Home Order which is effective until May 15, 2020 (and subject to change). We are following the instructions of the Health Officer which now requires Essential Businesses to implement a **Social Distancing Protocol**. You will see Operations Staff wearing face coverings and keeping the appropriate distance while fulfilling their duties on the airport. The self-serve islands remain open for fueling and the trucks are available should you need them. The facilities (restrooms, etc.) are cleaned and sanitized on a regular basis.

We ask that while on the airport you adhere to the **Social Distancing Protocol** which includes: Maintaining at least six-feet of physical distance from individuals who are not part of the same household; Frequently washing hands with soap and water for at least 20 seconds or using hand sanitizer that contains at least 60% alcohol; Wearing a cloth face covering while out in public when in contact with others, not including members of a single household or living unit; and avoiding all social interaction outside the household when sick with fever or cough. Your adherence to the protocol is greatly appreciated.

Rental payments are still due on the 1st, and if you are used to dropping off your payment at the airport, we encourage you to mail in your payment using the envelope that is included with your statement or use auto pay and have it charged to your credit/debit card every month. You can also call the airport office and pay with a credit card over the phone. The \$10 convenience fee has been waived until further notice.

If you have any questions, please contact your airport manager. We appreciate your cooperation during this challenging time and look forward to returning to business as usual.
